

**We are developing a novel process to produce **carbon-negative** Portland cement and supplementary cementitious materials**

# Team

**Cody Finke, PhD**  
CEO & Co-Founder

**Hugo Leandri**  
CTO & Co-Founder

**Marcelo De Oliveira, PhD**  
VP Mat. Science & Geology

**Evody Tshijik Karumb, PhD**  
Metallurgical Engineer

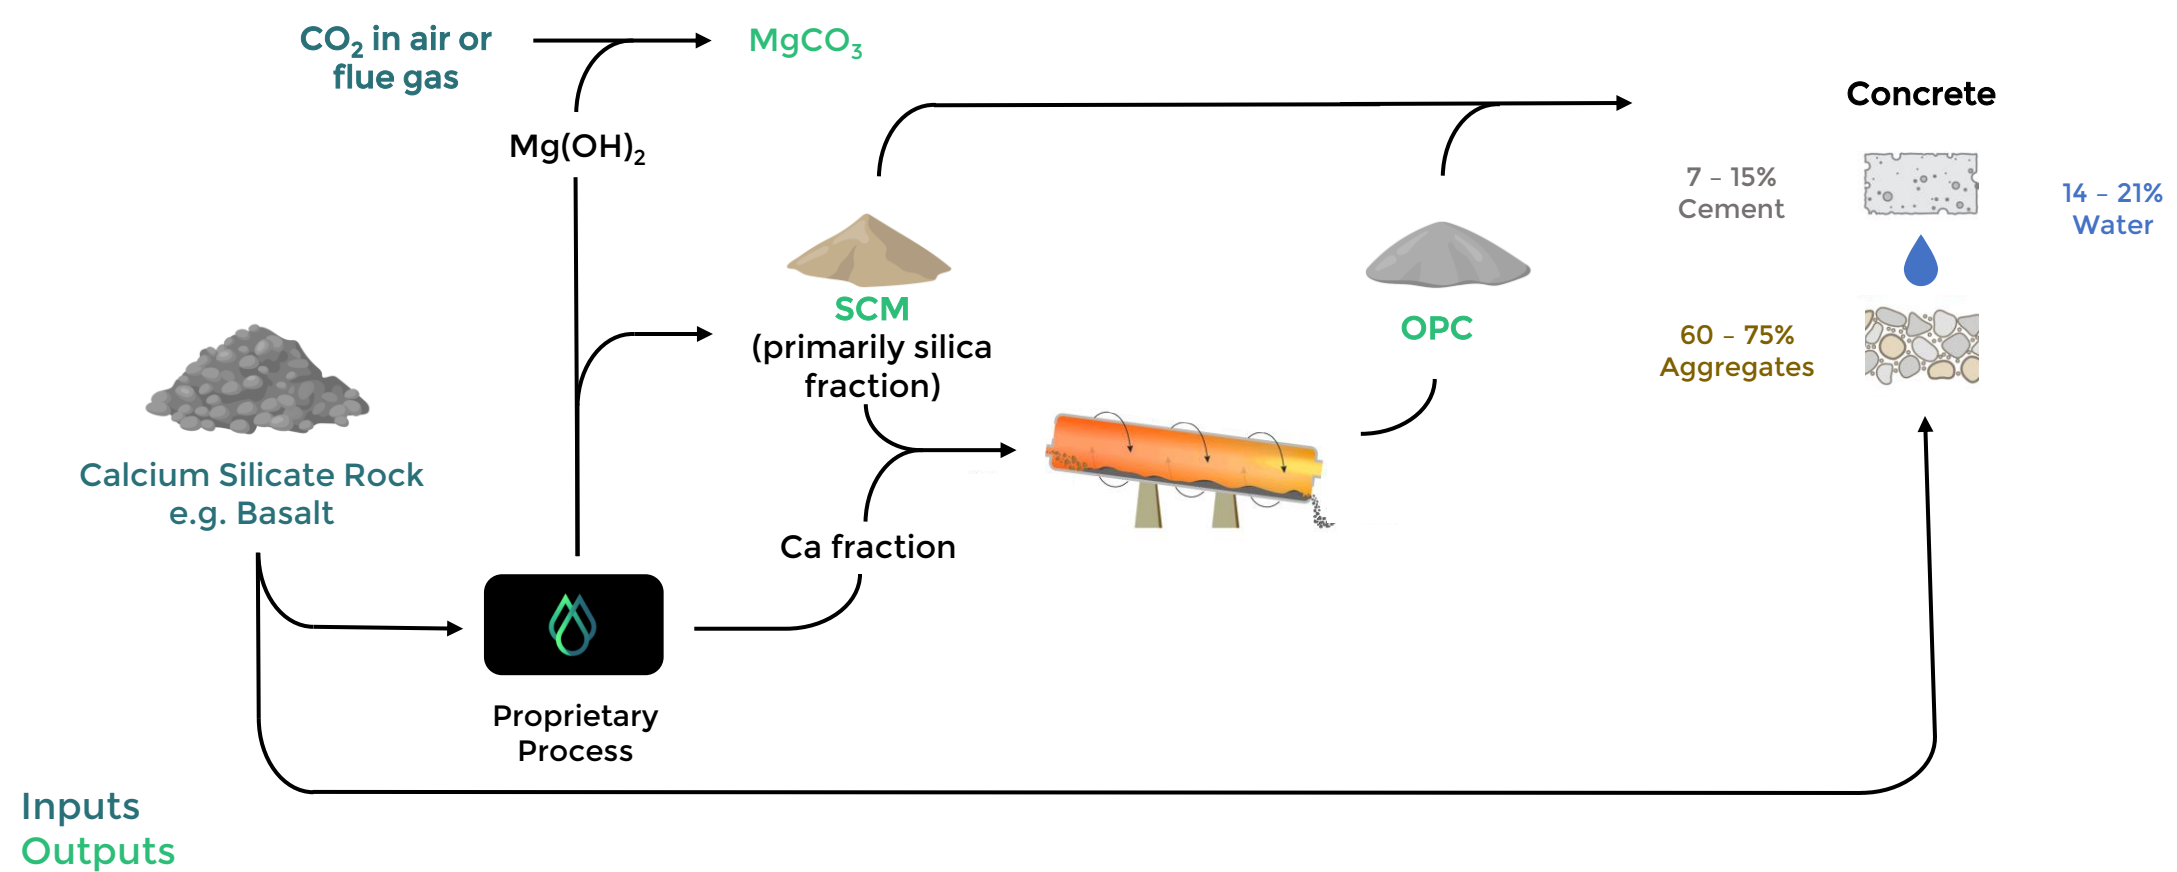

**Jamie Bresson**  
Director of Engineering

**Nydra Harvey-Costello**  
Geochemist

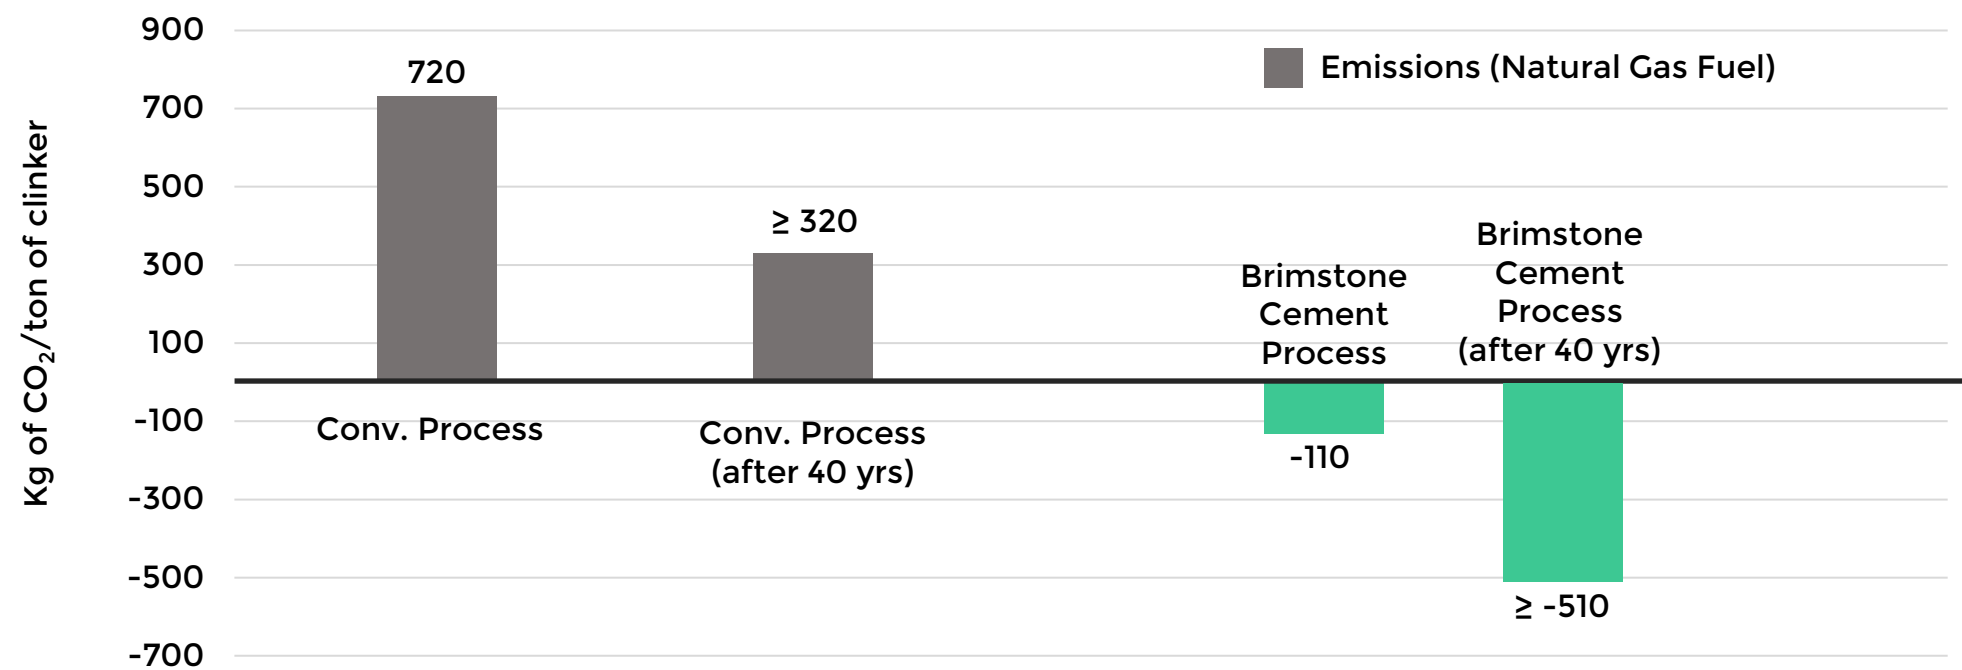

**Vivek Kashyap, PhD**  
Metallurgical Engineer

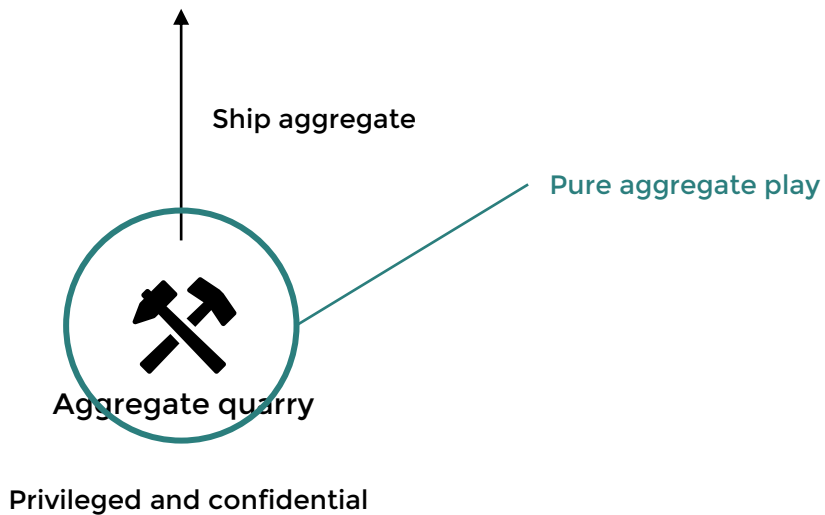

# Brimstone Energy Process

Only SCM is not vertically integrated

# Brimstone play

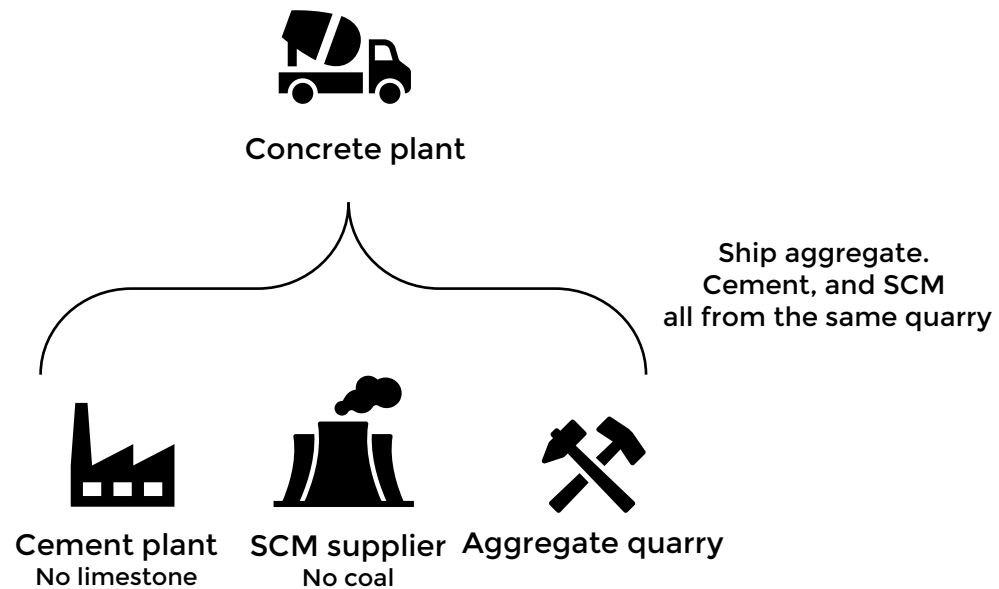

**Brimstone Energy**  
What is possible  
if a company were to  
collaborate with Brimstone

# Our vision

1. Vertical integration of CO<sub>2</sub>-free SCM
2. Market simplification by producing cement, SCM, and aggregate in 1 location

Privileged and confidential
